

Railyard Enterprise Project Public Meeting #2

Development of Preliminary Alternatives

May 21, 2013

- Summary of Public Meeting #1
- Purpose & Need of Railyard Enterprise Project
- Description of Our Work This Evening
- Next Steps

Common Points of Public Meeting #1 (March 7)

■ Land Use

- Burlington's last industrial neighborhood
- Build upon what's already happening (DDC, artist-entrepreneurs)
- Eco-District , low impact development

■ Quality of Life

- Greenspace, trees, public art
- Quality lighting, Trash receptacles
- Innovative stormwater management

■ Travel Connections

- Access to Bike Path from Pine; dedicated continuous bike lanes
- Wider Sidewalks, address sidewalk gaps
- New Streets/Extensions (Battery, Marble, S. Champlain), Complete Streets

■ Railyard

- Keep the rail uses for the future
- Trucks on Maple, King are a concern
- Want to see it

Purpose & Need of Project (abridged)

The purpose of the Railyard Enterprise Project is to develop a network of multimodal transportation infrastructure improvements to...

1. Support economic development in the study area;
2. Improve livability of the surrounding neighborhoods;
3. Enhance travel connections for all modes between the Pine Street and the Burlington Waterfront;
4. Improve access to the Burlington Railyard.

Break Out Groups - The Task of Developing Alternatives

1. Construct a Vision of the Railyard Enterprise Area for Your Theme:

1. Economic Development/Opportunity
2. Neighborhood Livability/Sustainability
3. Travel Connectivity

2. Refer to the Poster Resources for Good Information

3. Take Photos, Have Fun

4. Check Your Vision Against the Purpose and Need

5. Report Back:

1. Give your vision a NAME
2. The Key Idea
3. Why You Love It?
4. Describe next steps

Preliminary Discussion of Alternatives-Plan BTV (2013)

1. Grid connectivity
2. Reorganized rail functions
3. Strategic urban infill
4. Flex-space
5. Periphery parking
6. Streetscape improvements
7. Bike path connection
8. Embrace Barge Canal

Existing Buildings Potential Buildings
