COMMENT DEADLINE EXTENDED FOR CHITTENDEN COUNTY ACTIVE TRANSPORTATION PLAN

Comments now accepted through December 1, 2016

Chittenden County, VT – The Chittenden County Regional Planning Commission (CCRPC) has extended the comment deadline for its Active Transportation Plan (walking and biking) through **December 1, 2016** in an effort to ensure all interested parties have enough time to review and provide feedback.

The overall objective of this effort is to produce a region-wide plan for existing and future bicycle and pedestrian facilities and programs that will serve as the active transportation element of the county's long-range Metropolitan Transportation Plan. When completed, the Active Transportation Plan will include recommended facilities, programs and policies to support all modes of active transportation in the region.

To see what's being proposed, visit the Active Transportation Plan website:
