123 *On October 19, 2016 the Board approved a 0% increase in Municipal Dues for FY18.

124 **The Salary expense line includes a new part-time staff person for the Chittenden County Opioid Alliance.

125 *** The CCRPC used an Indirect Rate of 79.26% in FY16, while the actual rate should have been 72.82% based on our audited costs. To correct for the over-recovery in the previous year we need to reduce our rate for the upcoming year. Our approved Indirect Rate is 67.42% in

126 FY18 with the rate reduction. This Indirect Rate will drive income

127 negative in FY18, possibly as much as \$125,340. This will result in a

128 reduction in our Cash Balances, which are shown to the right.

129

130

131 **Capital Budgeting for FY18**

132 Currently, there are no plans for capital equipment purchases in FY18.

133

134 The most recent capital investment was a network server purchased in October of 2016. Fully installed, the capitalized cost of the server was

135 \$17,825. It is being straight-line depreciated over 5 years. The

136 depreciation expense for the server is just under \$3,600 annually. Our

137 meeting tables and chairs are also being depreciated. They were

138 purchased for \$8,300 in November 2012. They will be fully depreciated

139 after October 2017.

140 A sound system and/or a teleconference system for the main conference

141 room may be desired. The approximate cost of this investment would be

142 up to \$12,000. This would add \$2,400 of depreciation expense each year for 5 years.
