DRAFT Meeting Notes, November 14, 2017

Present: Al Barber, Chair, Hinesburg Fire, SERC, etc; Vice Chair Mike Collins, Global Foundries; Max Kennedy, VEM; Bob Henneberger, CERT/RACES; Steve Cushing, St. Michael's College; Andrew Ford, Verizon; Kate Hammond, VDH; Jess Cover and Peter Delaney, Run Vermont; Lee Krohn, CCRPC.

The meeting was called to order at 0900. There were no changes to the agenda, nor public comment on items not on the agenda.

Peter Delaney and Jess Cover gave a thorough presentation on the widely varied and comprehensive planning and implementation involved in emergency management planning for the Vermont City Marathon.

Members present offered updates on recent or current events, including regional dispatch, the windstorm, LEPC funding, the EMD course and upcoming trainings, new emergency management courses to be offered at Saint Michael's College, and Verizon's annual ERP review.

It was agreed that a regional AAR regarding sheltering would be very valuable, in light of the recent windstorm and situational awareness/operational coordination.

With no other business, the meeting was adjourned at 1030 hours. The next meeting will be back at CCRPC offices on Tuesday, December 12 at 0900.

Respectfully submitted by Lee Krohn, AICP
