STATEWIDE VERMONT WALK/BIKE SUMMIT TO BE HELD IN WHITE RIVER JUNCTION

In partnership with the Vermont Agency of Transportation, and a number of other participating organizations and sponsors, the Southern Windsor County Regional Planning Commission and the Two Rivers-Ottawaquechee Regional Commission will host the 2018 statewide Vermont Walk/Bike Summit on May 4, 2018 at the Barrette Center for the Arts through a partnership with Northern Stage in downtown White River Junction.

This year's Summit will include interactive mobile workshops, peer exchanges, a highly-acclaimed keynote Russ Roca, co-owner of The Path Less Pedaled – a bike travel blog-turned-business – and a variety of dynamic presentations and topics including advocacy and education, safe and healthy communities, economic development, the built environment and a track to demo ideas. LA CES credits on behalf of VT ASLA and AICP CM credits on behalf of NNECAPA will be offered.

For full details and to register for the 2018 Vermont Walk/Bike Summit, please visit the event website: www.VTWalkBikeSummit.com.

**If you require specific accommodations such as interpreters, special seating, or other accommodations please call Rita at (802)457-3188 by Friday April 20 to make arrangements to accommodate your needs.*

Along with our planning partners:

We thank the following for their generous sponsorship to make this Summit possible:

GOLD

SILVER

BRONZE
