

**MEETING ANNOUNCEMENT**  
**North Williston Road Multimodal Scoping Study – Draft Alternatives Meeting**  
**Williston Selectboard – Town Hall Meeting Room**  
**Tuesday December 19, 2017 at 8:00 PM**

The Williston Public Works Department, with technical assistance from the Chittenden County Regional Planning Commission and transportation planning consultant RSG, invites the community to join the Selectboard on Tuesday December 19, 2017 at 8:00 PM in the Town Hall Meeting Room to plan the future of North Williston Road. The project seeks to examine the roadway for improvements to the drainage system and transportation network, including motor vehicle, pedestrian, and bicycle travel.

The Draft Alternatives Meeting is the second public meeting of this project and is intended to provide the community with an opportunity to submit comments and feedback on the draft alternatives. The draft alternatives will be presented at the meeting. Meeting materials will be made available on the project website following the meeting (<https://www.ccrpcvt.org/our-work/transportation/current-projects/scoping/north-williston-road-scoping-study/>) and will remain available for comment through the month of January. If you are unable to attend the meeting in December 19, please share your thoughts by contacting Jason Charest at 802-861-0127 or [jcharest@ccrpcvt.org](mailto:jcharest@ccrpcvt.org).

In accordance with provisions of the Americans with Disabilities Act (ADA) of 1990, as amended, the CCRPC will ensure public meeting sites are accessible to all people. Requests for free interpretive or translation services, assistive devices, or other requested reasonable accommodations, should be made to Emma Vaughn, CCRPC Title VI Coordinator, at 802-846-4490 ext. 21 or [evaughn@ccrpcvt.org](mailto:evaughn@ccrpcvt.org), at least 3 business days prior to the meeting for which services are requested.
