What do you like about Winooski Avenue, and why?

DIVERSITY OF BUSINESSES ON
N. WINOOSKI IN THE OLD NORTH END.

What is your biggest issue with Winooski Avenue?

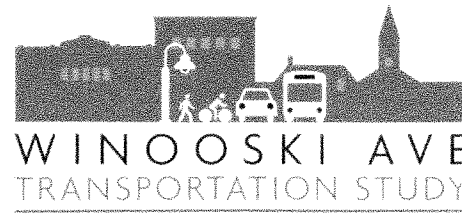

THE STRETCH BTWN PEARL & MAIN.
NOT SAFE TO BIKE, POOR USE OF
CRITICAL SPACE TAKEN UP BY GAS
STATIONS & PARKING LOTS.

What are 3 things you would change on Winooski Avenue?

- ① REMOVE THE GAS STATIONS
- ② MAKE IT MORE BIKEABLE
- ③ IMPROVE GREEN INFRASTRUCTURE, ADD TREES

Other comments:

WINOOSKI SHOULD BE MORE PART
OF A COHESIVE DOWNTOWN RATHER
THAN SIMPLY A VEHICLE CORRIDOR

What do you like about Winooski Avenue, and why?

Lots of small, independent businesses,
especially on the northern section

What is your biggest issue with Winooski Avenue?

Way too car-centric, especially south
of Pearl St. Not pleasant for walking /
biking, and few retail and other business
spaces

What are 3 things you would change on Winooski Avenue?

- ① Separated bike lanes (which would
probably require changing traffic patterns)
- ② Reclaim old buildings / parking lots - esp.
Bike Aid and old Free Press warehouse (across from
Fire station)
- ③ Eliminate one lane of traffic b/w Pearl St. &
College St.
