Agenda Item C.1: Consent Item

Transportation Improvement Program Amendment

Issues: Make the following change to the FY21 TIP.

Charlotte Rail Bridge over Thorp Brook (Project RR008, Amendment FY22-07)

Description of TIP Change: Add \$470,715 in federal funds for construction in FY21. The project will repair and repoint an existing stone culvert and repair the headwall. The FY22-25 TIP has construction funding in FY23 but the project is ready to advance to construction in FY22.

Reason for Change: This project is part of the work that needs to be done for the Amtrak extension to Burlington and is on the critical path. The project is being funded with western corridor earmark funds and is not subject to fiscal constraint.

Staff/TAC Recommendation: Recommend that the TAC approve the proposed TIP Amendments
