

RETHINK RUNOFF STREAM TEAM FY22 Update

For activities between December 31st 2022 and January 31st 2023

Prepared by Adelaide Dumm, Conservation specialist/ Project Coordinator for Rethink Runoff Stream Team and Remy Crettol, District Manager, Winooski NRCD

1/25/22

Completed Administrative Tasks

- Invoice and reporting for January 2023
- Adopt-a-drain update: 926 lbs of debris removed, 186 drains adopted, and 134 storm drain adopters as of 1/25/2023
- Completed 2022 Annual Report and proposed 2023 Workplan and made edits sent from Dan, Annie, and Chelsea.
- Not billed under RRST, but as a general update completed and submitted application for the Implementation of the Chittenden County Stormwater Public Involvement and Participation Program: Rethink Runoff Stream Team.

Completed Outreach Tasks

- Created press release for Rain barrel workshop in Shelburne
- Created social media post for Rain barrel workshop in Shelburne
- Added the Rain barrel workshop in Shelburne to the events section on the RRST webpage
- Created flier for Rain barrel workshop to distribute in Shelburne.

Completed Event/Project Driven Tasks

- Coordination with Christine Dougherty and Simon Myles (Conservation planner and POC for the Williston Conservation Commission) on a rain barrel workshop in Williston for March 2023 at the Public works Facility: 291 Avenue A, Williston VT
- Coordination with Dave Barron, Dan Albercht and Nicholas Prussock on the water quality project in Milton.
- Coordination with Chris Robinson and Sue Craig (Shelburne PARks and Recreation) on a Rain Barrel workshop in Shelburne planned for February 24th, 2023 to be held in two sessions (10am - 12pm and 1pm - 3pm) at the Shelburne Town Center Gymnasium in the activity room: 5420 Shelburne Rd, Shelburne, VT. Guests will build and paint rain barrels, and pick up on Saturday Feb 25th from 9am - 12 noon. Cost of event \$40/barrel
- Created a registration form for Shelburne Rain Barrel workshop
- Coordination with Bove's on rain barrel availability for workshop.
- Searched for paint and primer options and purchased materials for workshop
- Coordination with James Sherrard on water quality sampling in Burlington along Potash
