Dear CCCUD Board Members,

This letter is an official application to add the Town of Westford to the Chittenden County Communications Union District's membership. The Selectboard voted unanimously at their January 26, 2023 meeting to join the CCCUD and appointed me to be Westford's delegate until a replacement can be recruited.

The Town of Westford looks forward to hearing the Board's decision and working with other member municipalities in an effort to bring broadband access to underserved residents throughout Chittenden County.

Sincerely,

Nanette Rogers
Town Administrator
