6. Clerk's Report

Ann Janda reported that she submitted the second monthly preconstruction grant report to the Vermont Community Broadband Board (VCBB) grant administrator. She also requested recommended insurance coverage from the consultant from CCCUD's insurance broker. She noted that the VCBB grant agreement requires that the final contract with the consultant must be provided to the VCBB with a memo detailing sections or pages that should be redacted and explanations why they should be confidential. Charlie Baker said to check on that with the attorney

and MBI. Ann noted that she, Charlie Baker, and Regina Mahony met with the Vernonburg Group, the consultant hired by the VCBB to assist with the Federal Broadband, Equity, Access and Deployment (BEAD) funding, on Thursday May 18. The Vernonburg Group will send out a BEAD request for information to all Vermont's CUDs and the Board will have 30 days to respond. This will be put on the agenda for the next meeting.

7. Treasurer's Report
