

Clerk's Report for 4/24/24

- **4/19 Meeting with VCBB Staff:** Ann Janda, Mike Vance, Jason Gay (MBI), and Lee Willette (MBI) met with Alexei Monsarrat, Rob Fish, and Christine Hallquist of VCBB staff to discuss the CCCUD's concerns signing the construction grant certification obligating it to universal service of the entire district – even though there is only funding for half - and with the obligation to provide oversight until 2034 without funding to do so. VCBB staff felt that a good next step would be for Mike to attend the next VCBB meeting to discuss these concerns with the VCBB.

Respectfully submitted by

Ann Janda
