PROJECT PURPOSE

To develop and evaluate alternatives to improve all modes of transportation and enhance the intersection to better serve as a gateway into Burlington, and select and recommend a preferred alternative to the City Council.

JUNE 17 MEETING GOAL

To review proposed short and mid-term safety improvements for all modes of transportation at the intersection. This meeting is also an opportunity to provide thoughts and ideas, ask questions and express concerns.

MEETING ACCESSIBILITY

In accordance with provisions of the Americans with Disabilities Act (ADA) of 1990, as amended, the CCRPC and Burlington DPW will ensure public meetings are accessible to all people. Requests for free interpretive or translation services, assistive devices, or other reasonable requested accommodations should be made at least 3 business days prior to the meeting to:

Julia Ursaki, PE | Public Works Transportation Engineer
802.809.1355 | jursaki@burlingtonvt.gov

PROJECT CONTACT

Sai Sarepalli, PE | CCRPC Senior Transportation Planning Engineer
802.861.0134 | ssarepalli@ccrpcvt.org

WE HOPE TO SEE YOU THERE!
