

PUBLIC MEETING

Presentation of Alternatives from the Patchen Road Shared Use Path Scoping Study

WEDNESDAY, AUGUST 13, 6 PM

City Hall, Conference Room 301, 180 Market Street

You're invited to a presentation of two alternatives from the Patchen Road Shared Use Path Scoping Study! Help City staff and project consultants understand how residents of South Burlington want to walk, bike, and roll along Patchen Road.

This meeting will be interactive and allow for attendees to provide input on safety, accessibility, and key destinations and connections.
