

Main Street Multimodal Study

Open House

The City of Burlington's Department of Public Works (DPW), in partnership with the Chittenden County Regional Planning Commission (CCRPC), is conducting a transportation study for Main Street. The study will identify improvements along the Main Street corridor (outside of existing construction areas), focusing on a continuous, safe, and accessible route for people walking, biking, rolling, and taking transit.

At this meeting, community members will:

- Learn more about the study goals, process, and timeline
- Share local knowledge, concerns, ideas, and priorities
- Help shape the future draft alternatives

Please join us for our first Public Meeting!

February 4, 2026

5:30 PM-7:00 PM

(brief presentation at 6:00 PM)

Contois Auditorium

149 Church St Hall

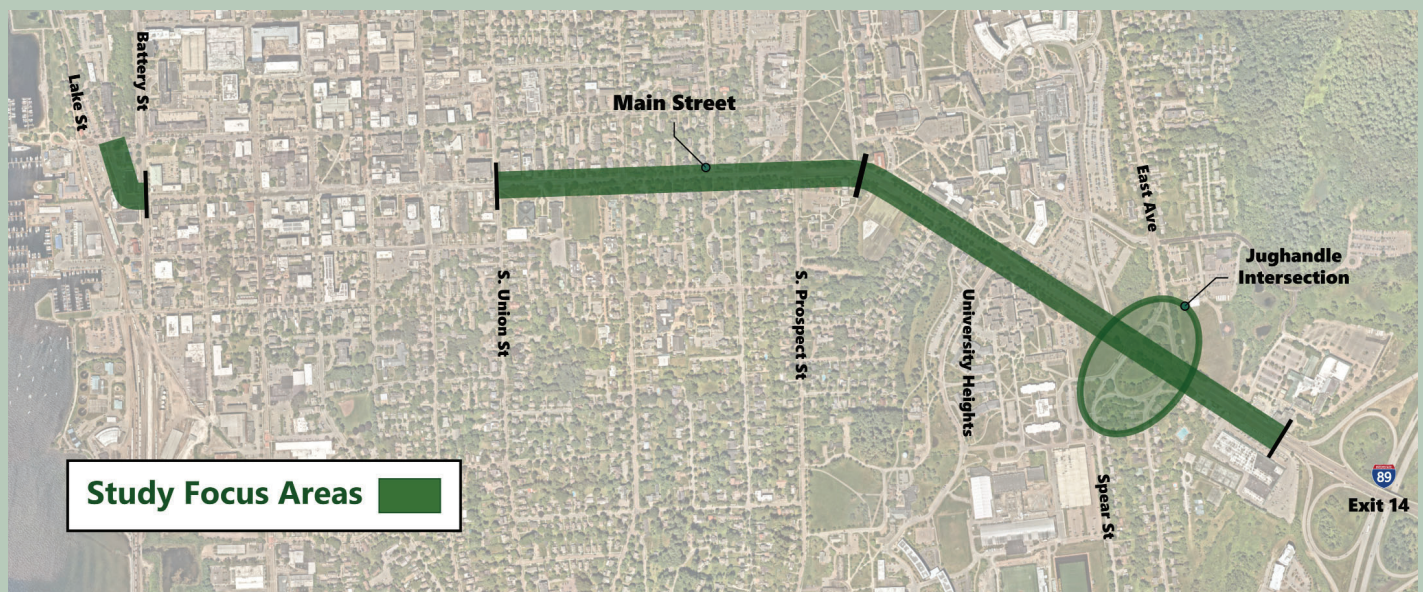

2nd Floor

Burlington, VT, 05401
