Bolton Valley Access Road
Scoping Study

Public Meeting (Local Concerns)

The Town of Bolton, in collaboration with the Chittenden County Regional Planning Commission (CCRPC), Bolton Valley Resort, and VHB, is conducting a corridor scoping study for Bolton Valley Access Road. This study, will identify and evaluate how to improve roadway resilience, drainage performance, erosion mitigation, and will take a targeted look at improving pedestrian and bicyclist access and connectivity.

We want to hear from you about:

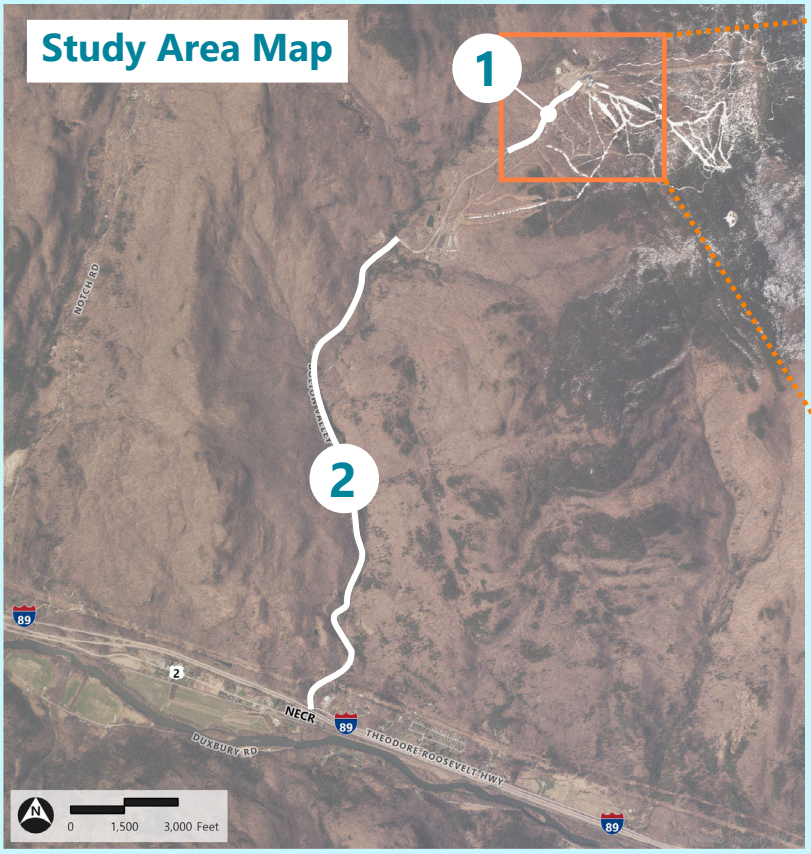

- How you walk or bike to the Resort now, and what would make it safer and easier
- Your experiences with road washouts, erosion, or drainage issues along Bolton Valley Access Road
